Designer Profile | **J Robert Bazemore**

J Robert Bazemore is a professional with over 38 years of experience in furniture design, architectural interiors master planning, programming, strategic consulting, environmental graphics, and design. Throughout his career, he has collaborated with some of the industry’s most creative and talented teams.

His designs have been recognized with two Monsanto DOC awards, an Antron design award, and several regional awards. In addition, his work has been featured in numerous industry publications.

Bob has taught at Winthrop University and was a professor of furniture design at Savannah College of Art and Design. Bob’s unique design experience and commitment to delivering results have made him a respected and sought-after professional.

INSPIRATION FOR ZIA

PRODUCT DEVELOPMENT
FROM CONCEPT TO COMPLETION

The process of designing a modern table requires a combination of artistic vision, technical skills, and practical considerations—ZIA’s design balances form and function, creating visually appealing and functional tables resulting from collaboration, creativity, and innovation.

ZIA | COLLECTION
EFFORTLESS ELEGANCE FOR EVERY ENVIRONMENT

The ZIA Collection combines sleek, modern design with the durability needed for today’s active environments. Versatile and adaptable, ZIA tables integrate seamlessly into offices, classrooms, collaborative spaces, and more. Constructed with high-quality materials, ZIA tables are designed to withstand heavy use while providing lasting performance. Their minimalist design creates a clean, contemporary aesthetic while making surfaces easy to clean and maintain.

With a range of applications and configurations, ZIA tables support the way people work, learn, and collaborate.

- THE ZIA **ADVANTAGE**
- Modular design for quick and easy assembly
 - Unbelievably sturdy to withstand high usage
 - Versatile design for all environments
